

Plantations Two Community Association, Inc.

**Swim Team Sponsors
Banner Policy**

In accordance with the recommendation of the Plantations Two Piranhas Swim Team, the Plantations Two Pool Committee, and approved by the Plantations Two Board of Directors on March 11, 2009, the following are the guidelines for the use and placement of Swim Team Sponsor Banners:

The banners may be affixed to the pool fence using plastic ties/cable ties and facing inward towards the pool only. All efforts should be made to place banners evenly and level.

- The banners shall be vinyl or some other durable material which will not shred.
- The banners shall measure no greater than 36 x 48 inches (*size revised by a vote of the Plantations Two Board of Directors on May 12, 2022*).
- The banners may be affixed from the opening of the swimming pool, throughout the swim team season, until the official close of the Montgomery County Swim League (MCSL) season, typically the first weekend in August.
- The banners should not be affixed to the entrance gate, except on a temporary basis such as during the home swim meets.
- The banners should also not be affixed near the bathroom entrances or outside the pool area.
- Only swim team personnel are allowed to attach and/or remove the banners.

Created March 2009
